Attorney Docket No. P07015US00/MP

ON PETITION

**CORRECTED DECISION**

This is a corrected decision on the petition under 37 CFR 1.137(b), filed February 22, 2001, to revive the above-identified application.

The petition is **GRANTED**.

The decision mailed July 12, 2001 is hereby vacated for the reason stated below.

The previous decision was inadvertently dismissed and required drawings in response to the Notice of Allowability. This application has not been allowed; as such, drawings are not required.

**The two-month period for filing an appeal brief in triplicate (accompanied by the fee required by 37 CFR 1.17(c)), runs from the date of this decision.**

37 CFR 1.137(b)(3) requires a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. If the statement contained in the instant petition varies from the language required by 37 CFR 1.137(b)(3), the statement contained in the instant petition is being construed as the statement required by 37 CFR 1.137(b)(3) and petitioner must notify the Office if this is **not** a correct interpretation of the statement contained in the instant petition.

There is no indication that the person signing the instant petition was ever given a power of attorney or authorization of agent to prosecute the above-identified application. However, in accordance with 37 CFR 1.34(a), the signature of Marvin Petry appearing on the petition shall constitute a representation to the United States Patent and Trademark Office that he is authorized to represent the particular party in whose behalf he acts. However, if Marvin Petry desires to receive future correspondence regarding this application, the appropriate power of attorney or authorization of agent must be submitted. A courtesy copy of this decision is being mailed to petitioner. Nevertheless, all future correspondence regarding this application file will be directed solely to the address of record until otherwise instructed.

Telephone inquiries concerning this decision should be directed to the undersigned at (703) 305-9282.

The application file is being forwarded to Technology Center 2800.
